10) Other concerns – Please indicate here any further instructions, comments, or concerns you may have about your child’s participation at Our Children’s House:

Our Children’s House enrolls children on a first come/first served basis. We do not discriminate against race, sex, religion, nationality, etc. In the event that enrollment is at capacity, your application will be numbered and placed on a waiting list. You will then be contacted as openings in your child’s age range arise.

Our Children’s House does not charge an application fee for submitting this application; however upon acceptance of child care with Our Children’s House, a non-refundable \$50 fee is required to hold the child’s spot. Checks should be made payable to Our Children’s House. If you are accepting child care at the time of completing this application, please include the check with the application.
